

PRIVACY & DECORATIVE FILM

Brushed – Opal

PX-900

Opalux® Patterned Brushed – Opal privacy screening film provides effective two-way privacy with a subtle brushed-effect pattern and soft opal tint, delivering a contemporary designer look while preserving excellent natural light transmission.

For both new build and refurbishment projects, Opalux® privacy screening films offer a cost effective and flexible alternative to traditional acid-etching, sandblasting or printing. These films allow freedom in the initial glass specification, with privacy being allocated later, when and where it is required, quickly and easily applied on site without removing the glass. As well as adding a distinctive designer style to your office interior, this allows some through-vision for reception areas and meeting rooms, where total screening is not required, but a degree of privacy and a high light transmission are desirable.

Opalux® films can also be used to produce manifestation bands for large glazed areas.

FEATURES

- Quick, retro-fit installation
- Removable
- Incorporate manifestations

BENEFITS

- Two-way privacy whilst maintaining abundant light levels
- Introduce privacy when and where it is required; ideal for glazing in rooms with a change of use
- Gives the option to remove, replace or update in the future
- Can be used to help satisfy Health & Safety requirements for large areas of uninterrupted glazing, such as glass partitions

U-Value (W/m²K)		N/A
Total Solar Energy Rejected		N/A
Product Warranty		10 years

PHYSICAL PROPERTIES	
Material	Polycarbonate
Liner	Clear Poly
Structure	Single Ply
Adhesive Type	Permanent Acrylic
	Pressure Sensitive
Suitable for plotter-cutting graphics	No

NOTES

These test results were produced from film applied to 3mm clear single glass. Performance data is subject to change without prior notice. It is the users' responsibility to ensure the product is suitable for the intended use. The seller shall not be liable for any direct, indirect or consequential loss or damage howsoever arising.

SPECIFICATION

The Privacy & Decorative window film is to be Opalux® PX-900, as manufactured by Opalux® (www.opaluxwindowfilms.com). The film is to be installed to the interior surface of the glass, and the unique product roll numbers used are to be registered in accordance with the manufacturer's warranty procedure.
